When my mom caught my boyfriend and I doing it in her bed one night, she had been one of the best stories I've ever heard. Since then, I've developed a habit of sharing my fantasies with my friends and even my brother. I can't help it — I love it. Finally, the definitive, I-went-through-all-this-to-tell-you-this guide to incest! To those who know me, this may seem obvious. To those who don't know me, well, I'm so glad you're here! Our relationship became serious enough to merit getting engaged, but we both knew we wanted to wait. I had always wanted to try giving him a blow job, but I was a little nervous at first. I was also married with a young son, but my husband was away at work and I was horny. Seeing my chance, I grabbed a pair of my son's old toys, a water bottle and a pair of plastic tubing. Then I did what had always been on my mind. I sucked off my son's friend while our parents were away! Sure, we could get caught, but my son is a notorious slut and I figured he'd help me out. Eventually I thought, "Maybe I should try taking care of my lover's needs myself," and I started working on his cock. Sure, it had been years since I'd done that, but my hand felt good around his cock, and I got to feel his balls and his thighs. He was getting a little antsy, so I moved up to his ass. My pussy was slick with my son's jizz, and I took the opportunity to lick his hole. We fucked every day during his trip. I started to take care of his every need, which included getting his asshole eaten. If he wanted a good meal, he'd just tell me he needed a bite to eat, and I'd make sure he was well-fed. I began to get really good at giving 82157476af
